

# Soccer Shots

Kick and run down the field, pass the ball, score a goal...these are all skills that new soccer players need to learn and growing soccer players need to practice. Soccer Shots, offered as part of the Play & Learn Center at Holding Hands, provides soccer skill classes for children at all levels. All classes meet outside, once a week, for 30 minutes over a ten-week semester. Class activities emphasize skill-building as well as teamwork and cooperation.
