

Easy Learn Spanish

“Hola!” Can you imagine your child learning Spanish, even at a young age like 18 months or three years? Easy Learn Spanish provides an active, age-appropriate program which allows children of all ages to explore a second language. Easy Learn Spanish is offered as part of the Play & Learn Center at Holding Hands. This fall, three class levels will be offered — a mommy & me program for toddlers and caregivers, a preschool program for 3-5 year-olds and an after-school program for school-aged children. All classes meet once a week for 45 minutes over an eighteen week semester. In each class, children are introduced to new vocabulary and given fun opportunities to use this vocabulary through group activities, games and arts & crafts.
